The Blessed Virgin Mary

Sunday 10 September 2017

*An inclusive Christian community
growing in orthodox faith and radical love*

Welcome to Southwark Cathedral.

We are a community that seeks to enfold all people in the love of God. If you wish to speak to a priest after the service, if you wish to find a corner to pray, if you wish simply to find some peace, please feel free and welcome to do so.

Communicant members of all denominations are welcome to receive Communion at this service; please come forward as directed by the Stewards. If you do not wish to receive Communion but would like a blessing, please bring the service booklet with you.

Participation. If you have been a regular at the Cathedral for six months or more, please ensure that your name is added to the Cathedral Electoral Roll - ask Stewards for details or email cathedral@southwark.anglican.org

Giving: *Regular worshippers* are asked to join the Planned Giving Scheme by setting up a bankers order. This greatly helps the Cathedral with financial planning. A blue form is available from the Stewards.

Visitors are asked to use the yellow envelope for their offering towards the work and worship of the Cathedral. If you are a UK taxpayer, please complete the details on the envelope to enable us to claim back the tax as Gift Aid. (Cheques to Southwark Cathedral.)

Children and young people during the 11.00am Eucharist:

Accompanied under-4s: Crèche with play mats, toys, songs and stories in the Education Centre.

JuniorXpress 1 and 2 and YouthXpress are back from summer break next Sunday 10 September.

Following the Choral Eucharist tea and coffee are served.

Listen up! Sermons delivered in the Cathedral are available as text from southwark.anglican.org/cathedral/sermons, where you can also find the weekly service sheet. They can also be downloaded as from iTunes by searching for *Southwark Cathedral Sermons*.

7.00pm

The Gift of Anger – Talk by Arun Gandhi

We are delighted to host this talk by Arun Gandhi, grandson of Mahatma Gandhi, in partnership with publishers Penguin Random House.

In his book *The Gift of Anger* Arun explores ten vital, extraordinary life lessons taught to him by his beloved grandfather during the two years Arun lived and travelled with him, from the age of twelve to fourteen. During these two years Arun grew from a naïve child to a wiser young man, learning lessons that forever changed the direction of his life. Arun also offers a rare insight into Gandhi the man, not the icon, and these charming memories of his grandfather are an engaging and often surprising read. Gandhi's practical philosophy of nonviolence helped liberate India and was the model for the advancement of civil rights around the world. Arun now applies this philosophy to modern events, highlighting how we have to stop fighting each other to effectively address the real dangers – mass shootings, lethal bombings, people being killed in cold blood – which are now part of everyday life.

Tickets £8 available from thegiftofanger.eventbrite.co.uk or the Cathedral Shop.

Caro Rathbone

Caro Rathbone's paintings are largely abstract although sometimes with representational elements. Using oils, watercolour, gouache and mixed media as seems appropriate, she aims to reflect the joys and tribulations of life in her work. Aged 19, Caro was awarded a scholarship to study painting at the Royal Academy Schools. Over the years, she has shown and sold her work in both shared and one-woman exhibitions. Caro is giving all proceeds from sales from this exhibition to Southwark Cathedral where, nearly seven years ago, she was married to Bill Rathbone.

Roman Southwark –

A Glimpse into the Past

Exhibition in Lancelot's Link in partnership with the Cuming Museum. On display for the first time at the Cathedral, this collection of Roman sculptures and carved stones were discovered in 1977 when a sealed crypt located below the Cathedral choir was excavated. Marshall's Charity was founded from the estate of John Marshall was a 'whitebaker' who lived in Axe Yard, Southwark (now Newcomen Street) who died in 1631. The Charity makes grants for a number of areas of Christian work. It supports parsonages in the Church of England and the Church in Wales, makes restoration and repair grants to Anglican churches in Kent, Surrey and Lincolnshire and also supports education. We are grateful to the trustees for their support.

Visiting the Iona Community in Scotland

The Iona Community is a dispersed Christian ecumenical community working for peace and social justice, rebuilding of community and the renewal of worship. They run some island residential centres on the west coast of Scotland where groups and individuals take part in weeks on a variety of themes. A few congregation members have been considering the possibility of a small group from the Cathedral visiting Iona, to spend a week with the community next year in the spring/summer. Once their programme for 2018 is published we will be able to look at more details, but if in principle you might be interested and would like to receive more details when available please email amanda.c.hill@googlemail.com so that we can gauge the level of interest.

For reference, in 2017 the cost of the week on Iona was £389 (£188 for those on low income/students/U21s). We estimate it would take about a day to a day and a half to travel to Iona from London (and then the same on return) and the cost of this travel will need to be added on.

If you would like to read more about the Iona Community, their website is iona.org.uk

Christmas Notelet

Last year the Friends of Southwark Cathedral produced a small Christmas notelet to sell and raise funds. The card was drawn by an ex-Chorister and proved to be very popular. It was not a Christmas card but something which could be used as a thank you card, invitation or small letter.

This year we are going to run a competition to find a new card for 2018.

Entries will need to be sent to the Friends office by 10 October. We need to ask artists to restrict the number of colours used to 3 in order to make reproduction of the card financially viable. A judging panel will select a design on 14 October. The winning card will be printed into a small Christmas notelet and sold to raise funds for the Friends, acknowledging the artist on the rear of the card.

We hope you will be happy to support the Friends by participating in this competition.

The Cathedral and Collegiate Church of St Saviour and St Mary Overy, Southwark

In 606 a Convent was established on the south bank of the River Thames at the place from which the ferry used to cross over to the City of London. In 1106 an Augustinian Priory was established. From here they ministered to pilgrims and travellers, and to the sick and the needy of the area and the Word of God was faithfully preached and the sacraments celebrated. As part of their ministry, the Hospital of St Thomas was established (now located opposite the Houses of Parliament).

Following the Reformation, the Priory Church became a Parish Church. In many ways the building was sadly neglected but the gospel continued to be faithfully preached and the people of the parish cared for and taught. A parish school – now Cathedral School – was opened in 1704 following in the work already established in schools founded from the parish under a charter from Queen Elizabeth I.

The life, diversity and character of the area are revealed in the tombs and monuments within the church. Among them is that of John Gower (c. 1330-1408), poet and friend of Chaucer, whose *Canterbury Tales* begin in Southwark. Across the nave is a memorial to William Shakespeare, who spent much of his life in Southwark, and above it, a stained glass window depicting scenes from his plays. Edmund Shakespeare, John Fletcher and Philip Massinger are all buried in the Cathedral. Lancelot Andrewes, who translated the first five books of the Bible into English, is buried by the High Altar. He is a founding father of the Church of England. In the grounds is buried Mahomet, Chief of the Mohegan Tribe from New England and a memorial to him can be found in the churchyard.

Today in old and new buildings, this Cathedral continues to serve the people of its parish and the people of the diocese, to be a centre of teaching, of worship, prayer and pilgrimage; a place of inclusive welcome for all people. This continues to be a place of major regeneration and change as Bankside has once again become a residential area, a playground for London and a place where the arts are celebrated, as well as a growing centre for political, financial and legal decision making. Southwark Cathedral is the constant factor in an ever changing and exciting community in which we continue to proclaim a gospel of radical engagement with God and the world.

We therefore welcome you to this holy place which is both ancient and modern. Together we continue to serve the people of this area - those who are passing through, crossing the river, making a new home, coming to work or simply here to enjoy themselves – and the people who live here, in much the same way as our forebears did and with all those who have gone before us we do it all from a place of praise and worship of Almighty God.
