Stone for Sale – Proceeds to Artpeace Zimbabwe

For three days in May the Cathedral was chosen to host Dry Stone Walling workshops as part of London Craft Week. Over forty people took part in building a dry stone wall as well as learning about this ancient craft and the completed wall can now be seen in the Churchyard.

John Holt from the London School of Dry Stone Walling who facilitated the workshops would now like to offer the stone to members of the congregation and public. The income generated from the selling of this stone will be donated to Artpeace Zimbabwe, a co-operative of struggling artists living on the fringes of society in Harare whose sculptures are sold in the Cathedral Shop.

The stone is available individually at £3 or in bulk and is perfect for a number of projects or just as a memento. Free delivery is also available – please ask for a information sheet at the Cathedral Shop.

Lucy Brown House Volunteers needed

Meet residents for a cup of tea and a chat on Wednesdays at 3.30–4.30pm. For some residents this is the highlight of the week! Contact mm@marionmarples.co.uk if interested to join the rota. Thank you.

Christian Aid Week

Thank you to all who have contributed. If you would still like to help there are gift envelopes at the back of the Cathedral.

Gift Aid

If you are a UK taxpayer the Cathedral may be able to claim back gift aid on any donations you make to us, normally adding a further 25% to the value. However, please note that you can only gift aid your donation if you pay tax in a tax year. If you do not currently pay tax, or do not pay sufficient tax to cover what might be reclaimed on your donations, you should not complete the yellow gift aid envelopes. HMRC have, in some cases, reclaimed money direct from donors who have not paid sufficient tax to cover their gift aid. If you need to inform us that we should no longer be claiming gift aid on your donations, please contact the Cathedral Accountant on 0207 367 6709 or toyin.tukasi@southwark.anglican.org

Food Bank

Weekly sessions of the Waterloo Foodbank are running at St George the Martyr Church at Borough on Mondays, 9.30–11.30am. If you would like to be involved and could spare a couple of hours please contact mm@marionmarples.co.uk.

Food donations can be brought to the Cathedral Shop. Current needs: UHT milk, rice pudding or similar, tins of meat to heat up, rice (small packs), macaroni cheese, spaghetti in sauce, tinned fruit.

Lesson –readers, Intercessors and Eucharistic Ministers (Communion Administrants) needed at the Eucharist

It's time to renew the teams of regular members of the congregations who undertake these roles; they are a vital part of the weekly ministry of the Cathedral. We would also like to introduce lay intercessors at the 9.00 am Sunday Eucharists. We need people who are willing to serve the needs of the congregation. Previous experience is an advantage but not essential, as training and ongoing support will be provided.

If you like to find out more there will be a Briefing Session on Sunday 28 May between 9.45 and 10.30 am.

To request an application pack or for an informal chat about the role please contact Michelle Ford, Volunteers Officer on 020 7367 6739 or michelle.ford@southwark.anglican.org.

Closing Date for applications is 28 May.

Training Dates: Saturdays 11.00am – 1.00pm:
17 June – Eucharistic Ministers
8 July – Lesson Readers
15 July – Intercessors

We particularly welcome applications from young people, members of ethnic minorities and people with disabilities.

Those who have ministered in these ways here recently or in the past are also welcome to apply.

The Cathedral and Collegiate Church of St Saviour and St Mary Overy, Southwark

In 606 a Convent was established on the south bank of the River Thames at the place from which the ferry used to cross over to the City of London. In 1106 an Augustinian Priory was established. From here they ministered to pilgrims and travellers, and to the sick and the needy of the area and the Word of God was faithfully preached and the sacraments celebrated. As part of their ministry, the Hospital of St Thomas was established (now located opposite the Houses of Parliament).

Following the Reformation, the Priory Church became a Parish Church. In many ways the building was sadly neglected but the gospel continued to be faithfully preached and the people of the parish cared for and taught. A parish school – now Cathedral School – was opened in 1704 following in the work already established in schools founded from the parish under a charter from Queen Elizabeth I.

The life, diversity and character of the area are revealed in the tombs and monuments within the church. Among them is that of John Gower (c. 1330-1408), poet and friend of Chaucer, whose *Canterbury Tales* begin in Southwark. Across the nave is a memorial to William Shakespeare, who spent much of his life in Southwark, and above it, a stained glass window depicting scenes from his plays. Edmund Shakespeare, John Fletcher and Philip Massinger are all buried in the Cathedral. Lancelot Andrewes, who translated the first five books of the Bible into English, is buried by the High Altar. He is a founding father of the Church of England. In the grounds is buried Mahomet, Chief of the Mohegan Tribe from New England and a memorial to him can be found in the churchyard.

Today in old and new buildings, this Cathedral continues to serve the people of its parish and the people of the diocese, to be a centre of teaching, of worship, prayer and pilgrimage; a place of inclusive welcome for all people. This continues to be a place of major regeneration and change as Bankside has once again become a residential area, a playground for London and a place where the arts are celebrated, as well as a growing centre for political, financial and legal decision making. Southwark Cathedral is the constant factor in an ever changing and exciting community in which we continue to proclaim a gospel of radical engagement with God and the world.

We therefore welcome you to this holy place which is both ancient and modern. Together we continue to serve the people of this area - those who are passing through, crossing the river, making a new home, coming to work or simply here to enjoy themselves – and the people who live here, in much the same way as our forebears did and with all those who have gone before us we do it all from a place of praise and worship of Almighty God.
