Southwark Cathedral features in *The Crown*

The wait is over. This month streaming giant Netflix has launched its latest ambitious original series, *The Crown*, an inside story of Queen Elizabeth II's early reign, revealing the personal intrigues, romances and political rivalries behind events that shaped the second half of the 20th Century.

A key location was Southwark Cathedral, where the scene of George VI's funeral was filmed. Location manager Pat Karam explains that "*The team at Southwark were incredibly helpful before and during the filming*".

Growing Talent forum

Southwark Cathedral has been delighted to host Growing Talent forum this autumn which brings "employers and the unemployed together". Sponsored by a global financial service firm, each series includes speed interviews for real jobs, followed by 10 days of holistic training sessions and workshops. Southwark Cathedral is doubly delighted to be the venue of choice for the four following series throughout 2017. It is a privilege to be involved in such a great endeavor.
