Welcome

to Southwark and its Cathedral. In over 1,400 years of Christian witness and mission, our church has seen the events of history unfold around it. Today, in old and new buildings, this Cathedral continues to serve the people of its parish and the people of the diocese.

We are a centre of teaching, of worship, prayer and pilgrimage; a place of inclusive welcome for all people in an area that continues to be a place of major regeneration and change. Once again, Southwark has become a residential area, a playground for London and a place where the arts are celebrated, as well as a growing centre for political, financial and legal decision-making. Southwark Cathedral is the constant factor in an ever-changing and exciting community in which we continue to proclaim a gospel of radical engagement with God and the world.

Admission to all events, services and concerts is free unless otherwise stated. We hope to see you soon!

Spirituality and Discipleship

The Stranger in the Wings: Expecting the unexpected in Advent and Epiphany

A programme of drop-in sessions which will explore through scripture, poetry, art, creativity, and theological writings how we can encounter God more deeply, and often in unexpected ways.

The seasons of Advent and Epiphany invite us to wait and look. During Advent, while the calendar year is ending, we anticipate the birth of Jesus and look forward to the coming of Christ, looking both behind and ahead. In Epiphany, although we are surrounded by January 'resolutions', with the Church we continue to look and wait. With the Magi we look for the one born to be king and we try to realise in our own lives the meaning of what we have found and seen. While Advent looks from darkness to light, Epiphany, dazzled by light, waits to understand its meaning.

The Sunday sessions are punctuated by an Advent Vigil and end with a weekend retreat to offer more space to reflect on what we have experienced.

These sessions are open to everyone and offer a variety of ways to wait and look as we seek to deepen our experience of the divine.

Sunday Sessions: 9, 16 December, 3 and 13 January, 9.45am / 12.30pm
Advent Vigil: Saturday 22 December, 1–3.30pm
Weekend Retreat: February/March, date tbc.

Exhibitions

22 September – 3 November

The Society of Graphic Fine Art

Members of the Society of Graphic Fine Art have been drawing and sketching in and around the Cathedral and its environs, including the local Borough Market. This Refectory show will feature lively and beautiful work, using a range of media including pen and wash, watercolour and oils. The Society of Graphic Fine Art, the only national society dedicated to drawing, is celebrating its centenary in 2019. Centenary year exhibitions will be held at the Royal Birmingham Gallery, Bankside Gallery and Kevis House Gallery, Petworth.

3–30 November

Paintings and Prints by the girls of St. Saviour's and St. Olave's School

commemorating the end of the First World War and inspired by an observation by Reni Eddo-Lodge: The *'misconception about exactly who fought for Britain during the First World War has led to the near erasure of the contribution of black and brown people. This is an erasure that couldn't be further from the Truth.'*

In fact, around 74,000 Indians and thousands of African and Caribbean soldiers died fighting in the First World War. The students have made these art works as a symbolic retribution for the recognition and respect they were due. The exhibition will contain drawings, prints and paintings from Year 11 students. Our hope is that these art works will help those we have forgotten to remember to become figures we will not forget.

1 December – 11 January

Home is where the Art is

'Home is where the Art is' is a unique exhibition bringing together winning artworks drawn by these artists competing in Cafe Art's annual art contest.

Cafe Art celebrates artworks and photography created by people affected by homelessness by working closely with their supporting charities, and exhibiting them in cafes and unique venues across the city and around the world. Join us to recognise, support and celebrate their talent and creativity.

12 January – 22 February

Travels With My Camera

As an international tour guide, Yvette Barnett has travelled to some of the most amazing destinations in the world. As a passionate photographer, she tried to capture the essence and nature of the places she visited on all seven continents. In this exhibition she brings some of her favourite images featuring people, wildlife and landscape, hoping to inspire people to go out and discover the world for themselves.

Unless stated otherwise, all exhibitions take place in the Refectory, opening hours 9.00am–6.00pm (weekdays) or 10.00am–6.00pm (weekend)
