Southwark Cathedral has been a place of Christian worship for over 1000 years. The Cathedral's patchwork architecture bears testament to its past as do the many monuments and memorials inside and outside the church. These are reminders of the rich history of this part of London and our association with such major figures in our creative history, including Chaucer, Shakespeare and Dickens.

Southwark Cathedral is a place of worship, welcome and friendship, to rejoice in or find rest when you're weary. We are London's community Cathedral, a spiritual home for all at the heart of Bankside. Whatever has brought you here, you are most welcome.

All events are free of charge unless stated otherwise. Tickets for Cathedral events are available from our website or the Cathedral Shop.

From 22 January Peta Bridle – London Etchings

Using a technique called dry-point etching Peta draws onto a perspex sheet which becomes the plate from which she prints on a flat-bed Victorian style press.

Peta likes to draw architecture, particularly derelict buildings which can be very beautiful and picturesque. She has recorded various streets, pubs and shops around Southwark and the East End of London. As is the nature of London, some of the views she has made have disappeared in the name of progress and regeneration. Peta finds it a joy to capture the vibrancy of London and its buildings.
