*Pilgrimage starts with somebody feeling compelled to set off towards a destination... things are discovered about yourself and others... you feel part of a community*

## Friends Pilgrimages 2024

Walking is a great way to meet new friends, explore new places and meet new challenges. There's time to talk, listen and laugh. You'll be supported by the group in a common purpose as we journey together.

Join us as we continue our pilgrimages together in 2024.

Our first pilgrimage in the new programme will be from Southwark Cathedral to Waltham Abbey walking on the third Saturday of each month starting in February.

Follow us on Eventbrite, Instagram or facebook to hear more as sessions are planned.

### BOOK AND JOIN

To join us book your tickets via Eventbrite – follow The Friends of Southwark Cathedral to find the links. About five days before the walk you will receive an email giving full information for the walk with estimated train times to arrive at the start of the walk, equipment requirements and safety details. Each walk will be guided by experienced group leaders and a First Aider will be available throughout. Tickets do not include travel costs or refreshments during the day.
