

# Information for visiting choirs singing services at Southwark Cathedral

### Welcome

Thank you for your interest in singing at Southwark Cathedral. We hugely appreciate the work and energy which visiting choirs put in to providing music at our services, and we hope that a trip to Southwark will be inspiring and rewarding.

The Cathedral is a busy place, hosting a large number of services, events, concerts and educational visits. With this in mind please note that we only have a limited number of services available for visiting choirs, and therefore early booking is advised.

Please read through the following information and get in touch with James Gough (Assistant Organist and Music Administrator) to arrange a date for your visit. Please note that we require music choices from all choirs **three months** before their visit.

Should you have any queries, please do not hesitate to telephone us on the music office number 020 7367 6723 or write to us here at the Cathedral Office.

### **Contacts**

### Practical information

#### Music choices

Once your booking is confirmed you will be asked to submit your music choices no later than three months prior to your visit. Nearer the time you will be sent the Psalm and hymn choices, where appropriate. The Psalms are sung to Anglican chant to the Coverdale (BCP) translation.

When selecting repertoire, please bear in mind the relatively short rehearsal time available, and the difficulties singers often have with adjusting to the larger acoustic, and select music which is well-known to the choir. Something simple, performed well, is likely to be more conducive to worship. It is not our custom to sing Introits at Southwark, so for Evensong choirs will need to submit a setting of the Responses (from the approved list – please see page 4), Canticles (Magnificat & Nunc Dimittis) and an Anthem.

At the Choral Eucharist you will be required to submit a Mass setting and a Communion Anthem. Of the Mass setting we require the Gloria (or Kyrie in Advent or Lent), Sanctus (without the Benedictus, unless the two movements are through-composed) and Agnus Dei. There will also be a responsorial Psalm and a Gospel acclamation, both of which will be sent in advance. Please note that the Eucharist is livestreamed, and choir members are therefore visible throughout the service.

The running order of Evensong and the Eucharist can be found on page 5.

#### Copyright

Please note that the use of illegal photocopies is not permitted. Choirs might like to look at <u>cpdl.org</u> which has a range of scores which can be legally printed out.

#### Arrival

On arrival you will be met by a Verger who will show you into the Song School. Here you can leave belongings and warm-up/rehearse as required. In order to stop unwanted visitors we ask that you lock the door behind you rather than leaving it open. There is a bell which subsequent choir members can ring to gain entry.

#### **Timings**

On weekdays the Song School is reserved for visiting choirs from 3pm, and the Cathedral is available from 4pm. Rehearsals should finish 20 minutes before the service begins, and we ask that choirs are lined up in the Link by 5.25pm ahead of the Vestry Prayer and procession into the service.

NB during some holiday times, mid-week Evensong is at the earlier time of 4.00pm.

On weekends the timings are slightly different:

#### Saturdays

2pm Song School and organ available 2.30pm Cathedral rehearsal 4pm Evensong (ends c. 4.40pm)

#### Sundays

Song School available from after the Eucharist 1.30pm Organ available 2pm Cathedral rehearsal 3pm Evensong (ends c. 4pm)

For the Sunday Eucharist, the Song School is available from 9.30am and the Cathedral is available from 10am. Rehearsals should finish 20 minutes before the service, and we ask that choirs are lined up in the Link by 10.52am ahead of the Vestry Prayer and procession into the service.

#### Song School

There is a small kitchen within the Song School which is available for you to use, and toilets are also available for the use of choristers only. Please note that the door to the Song School must remain closed at all times. Do not leave the door unlocked or on the latch at any time even during song school rehearsals. Southwark Cathedral takes no responsibility for lost or stolen property.

#### Recording

Please note that the recording of services and rehearsals is not permitted, and neither should phones or other devices be used in the stalls.

#### Clothing

Visiting choirs are invited to wear what they would usually wear for services, though choirs need not robe if they do not normally do so. In the event that a choir is not robed, smart attire is necessary, The Cathedral does not allow visiting choirs to borrow robes from the Cathedral Choir. Overall presentation is important and so we expect an appropriate standard of dress and reverence both inside and outside the Cathedral. Please note that food and drink isn't permitted in the Cathedral.

#### Accommodation

Unfortunately, the Cathedral is not in a position to offer accommodation, as we have no residential choir school.

#### Refreshments

After the Sunday Eucharist choirs are welcome to join the congregation for refreshments in the South Transept.

#### The Organ

Morley

At the back of this booklet are some notes designed to help visiting organists make the most of the instrument. Please note that the balance with the organ is not as the conductor hears it – the organ speaks round the corner and can therefore easily overwhelm the singers. Rehearsal time on the organ can be arranged by the Music Administrator, <u>James Gough</u>, whose contact details are at the start of this booklet. The building does get very busy so we ask you to restrict this to one session per service. The Vergers will have keys to give you access to the organ loft.

#### Lunchtime

Whilst we are unable to provide lunch for visiting choirs, our Café is open Tuesday – Sunday, serving a selection of hot food, pastries and drinks. Their website is www.comptoirgourmand.co.uk/cathedral. The Café Manager can be contacted on 020 7407 5740. There are also many other places near the Cathedral for buying food and drink and some restaurants in the area.

#### **Transport**

Parking in the area is severely restricted and so you are strongly advised to use public transport if at all possible. The nearest station is London Bridge (British Rail and London Underground). If you need to bring a coach or minibus please contact the Head Verger, Paul Timms, on 020 7367 6712 to make the necessary arrangements.

#### Safeguarding

Southwark Cathedral Chapter is committed to creating a safe environment in which children and vulnerable adults can flourish and contribute to the working life of the Cathedral in the context of a safe and supporting environment. The policy 'Promoting A Safe Church' is available on the Cathedral website.

#### **Photographs**

While we discourage the use of phones and cameras in the Cathedral, should you wish to have a photo with your choir we would recommend doing so after the service in front of the high altar.

#### The list of **Responses** from which visiting choirs may choose

FULL CHOIR – SATB		UPPER VOICES	LOWER VOICES
Ayleward	leward Neary		Byrd
Byrd	Plainsong	Bradbury	Cleobury
Clucas	Clucas Radcliffe		Harris
Ebdon Reading		Darke	Leighton-Jones
Ferial Rose		MacDonald	Moore
Forbes L'Estrange	Sanders	Plainsong	Plainsong
Gibbons/Barnard	Shephard	Rose	Rose
Jackson	Smith (4-part or 5-part)	Shephard	Tallis
Leighton	Tallis	•	Walsh
Moore	Tomkins		

### Order of services

#### <u>Sung Eucharist</u> Common Worship Order 1, modern language

Processional **Hymn** Unannounced – start when the choir is at the back of Nave

The Gathering

Gloria or Kyrie in Advent and Lent

Collect

The First Reading

Responsorial **Psalm** Unannounced: NB Advent/Lent Prose in penitential seasons

The Second Reading

Gospel Acclamation Sung

Gospel Face west

Organ Improvisation c.30 seconds – stop when the preacher is in pulpit

Sermon Creed (said) Intercessions The Peace

Offertory **Hymn** Unannounced; afterwards a hymn extemporisation may be required,

stopping once the congregation has been censed

Eucharistic Prayer NB all aspects of this are said

Sanctus No Benedictus unless through-composed

Eucharistic Prayer (cont.) Lord's Prayer

The Invitation to Communion

**Agnus Dei** 

Choir then receives Communion Organ improvisation required here until the Choir is ready for Anthem

**Communion Anthem** 

The Prayer after Communion

Notices Blessing

Final **Hymn** Unannounced

Dismissal

Organ Voluntary

During which the choir departs, following the clergy

#### <u>Choral Evensong</u> Book of Common Prayer

**Opening Sentence** 

**Preces** Organist to give notes for cantor (on the Swell Open Diapason)

Psalm Announced

First Lesson

Magnificat Start promptly - no need to wait for clergy to return to their stall

Second Lesson

Nunc Dimittis Start promptly - no need to wait for clergy to return to their stall

Creed No need to face east for this

**Responses** Organist to give notes for cantor

Anthem Announced, normally

Homily on Sundays only

Leads straight into the Prayers

Prayers, ending with the Grace

Hymn on Sundays and Feast Days only Announced

Blessing on Sundays only

NB there is no Blessing on Feast Days

Organ Voluntary During which the choir departs, following the verger

SOUTHWARK CATHEDRAL INFORMATION FOR VISITING CHOIRS

## **Notes for Organists**

#### Accompanying

The majority of the organ is situated in a chamber next to the South Transept, and as a result is difficult to hear from the console, and from the choir stalls. It is therefore important to note the following points in order to not inadvertently drown out the choir for those in the Nave.

The **Great** is far too loud for the majority of accompaniments, even the flutes.

The Swell faces into the Quire, and is therefore the most useful department for accompanying.

The **Choir** is situated right by the console and is quieter in the building. This can act as a mini-Great, with the 8fts in particular being a useful support for the choir.

The **Solo** faces into the Nave, so is louder to the congregation than to you or the singers.

The **pedal** is much as you hear it, but NB the 32' Great Bass only extends to bottom G before it becomes a quint.

#### Hymn playing

Hymns can be played far more robustly in order to lead the congregation effectively. For big congregations, **Great** up to 4 principal with **Swell** coupled should be a minimum, and for final verses full **Great** & **Swell** would not be too much. Choirs should not attempt to lead hymn singing *a capella* and the organist should keep a steady and well-articulated pace in order that the back of the Nave is led sufficiently.

#### Camera/audio relay

There are two monitors for the organist, which are normally left on. The left-hand monitor ('monitor 1') displays the conductor, and the right-hand the Nave sanctuary. Should they need adjusting, you will need to know the following:

The on switch for each monitor can be found at the bottom of each monitor

To adjust what the monitor is displaying please use the screen above the right-hand side of the console. This is a touch screen so it should wake up once pressed. Select which monitor you require, and then select which view you want. For conductor, you want **Monitor 1**, then select **Cam 1**, then press **Conductor**. The option next to that is **Choir procession** which you may also need when playing for a Eucharist.

Next to the console is a set of headphones, which are connected to a microphone partway down the Nave. Although this isn't a fully accurate representation of how the organ sounds in the Nave, it certainly gives a better idea of balance between the various departments of the organ, particularly those in the main chamber. The sound of the choir does filter through, so is louder through the headphones than in reality.

#### Other things to note

The crescendo pedal is switched off, and best left as such. If you do use it, please ensure it is turned off again afterwards. The Gt-Ped & Stepper toe pistons have been swapped round, so the first toe piston to the right of the swell box is the stepper. Information about piston allocations is left on the console, but should it be missing, generally visiting organists may use general channels 400-429 and divisional channels 7 & 8. Once you have finished please leave the swell & solo pedals open, and crescendo pedal shut.

# **Organ Specification**
